JUNIOR DEVELOPMENT PROGRAM

Ages 7–16

The JCC Junior Development Tennis Program is focused on player ability level, not age group. Ernesto and Rick have devised a program that not only fine tunes playing skills but also fosters valuable skills for both on and off the court: goal-setting, good sportsmanship and accepting challenges.

Register your junior player and watch for stroke improvement and increased strength, speed and agility. Each player will receive a junior walk-on pass for additional play time on the indoor courts at no charge.

ADULT DRILL AND PLAY

Improve your game with situational plays and drills that will strengthen your positioning strategy, anticipation and court awareness. Work on all strokes of the game, focusing on how to make better decisions in playing situations. Last 15–20 minutes of each session devoted to game play under instructor supervision and evaluation.

PRIVATE LESSONS

A private lesson is a great way to improve a specific area of your game.
